

# Practice Sheet 1.8. – Syriac Alphabet Tracing Sheet (West Syriac/Serto)

(Last Updated: December 18, 2018)

Write out the letters of the alphabet using the indicated order to create each letter. Note that several letters include forms they take when independent, attached to the left, and attached to the right. When possible, these forms will be written with the same letter written twice. Otherwise, it will be attached to the letter ܡ.
